Aviation Search Group: 20 Years of Executive Placements

Roanoke, TX October 16, 2018: Aviation Search Group is a direct-hire recruiting firm that has been placing management professionals and senior leadership exclusively within the aviation industry for 20 years. In an industry of fly-by-night recruiting firms, Aviation Search Group has stood the test of time.

Throughout the last 20 years, Aviation Search Group has placed thousands of (direct-hire) candidates based on each of their client's specific and unique hiring requirements, by utilizing the largest global aviation network and industry-leading vetting process. Year-to-date, Aviation Search Group shows no sign of slowing down and have already placed 92 professionals throughout all sectors of the industry.

Brad Stemmler, Managing Director for Aviation Search Group said, "Our repeat business speaks for itself. Using a professional, retained recruiting firm is a different level of service. Once a company commits to our process, they are not disappointed; our team is passionate about providing long-term solutions for our clients." He added, "Our industry focus has served us well. We are not the biggest firm, but we are committed to our client's satisfaction."

Gary Miner, Managing Director for Aviation Search Group said, "It's simple: our team works hard, and we genuinely care about what we do. Clients quickly realize this and become long term repeat customers. Each time they have a critical hiring need, they call Aviation Search Group."
