Recruiting Firm Experiences 148% Increase in Placements

Roanoke, TX (October 22, 2019) : Aviation Search Group (NBAA Booth N3133), a direct hire recruiting firm for the aviation industry, is projecting the placement of 150+ aviation professionals with their clients in 2019. This is an increase of 148% over placements made by Aviation Search Group in 2018.

Executive Director, Gary Miner, attributes the increase to Aviation Search Group's solution-driven recruiting process. "Aviation Search Group partners with our clients to develop a deep understanding of their individual hiring needs. Our clients are extremely important to us, and Aviation Search Group understands that no two client's needs are the same. I am honored to work with the Aviation Search Group team to find and provide solutions to our customers."

Aviation Search Group has had great success with filling these types of positions in 2019:

- Director of Safety and Security
- Director of Operations
- Director of Aircraft Management Sales
- Director of Maintenance
- Chief Inspector
- Quality Manager
- Avionics Manager
- Corporate Pilot

The recruiting firm's growth in the business aviation sector has been experienced through both repeat and new business. Miner added, "I'm excited about our growth and can't wait to see what the future holds."
